

## **Suzano Pulp and Paper announces production downtime**

**São Paulo, October 15, 2008. Suzano Papel e Celulose – (Bovespa ticker: SUZB5),** as result of the recent slowdown in pulp demand in certain Asian markets, specifically the Chinese market, the company is announcing a temporary downtime of its Mucuri production line in the first week of November, reducing market pulp production by at least 30,000 tons.
