NOTICE TO MARKET

October 1, 2009. Suzano Papel e Celulose - (Bovespa: SUZB5), hereby informs its shareholders and the market that, due to an incident in Line 2 of the Mucuri Unit in the third quarter of 2009, there was a reduction in market pulp production of said Line. After the interruption, production was reestablished still in August.

Considering said interruption and the scheduled maintenance downtime at Line 1 of Mucuri and Conpacel, market pulp production in the quarter was approximately 26,000 tonnes lower than the 416,000 tonnes in the second quarter of 2009.
