MATERIAL FACT

São Paulo, April 9, 2015 – SUZANO PAPEL E CELULOSE S.A. (“Suzano”), in compliance with article 157, paragraph 4 of Federal Law 6,404/76 and Instruction 358/2002 issued by the Securities and Exchange Commission of Brazil (CVM), as amended, hereby announces to its shareholders and the market in general that the National Biosafety Technical Commission (CTNBio), the collective decision-making body responsible, among others, for setting the standards and technical guidelines related to activities that involve authorization for the commercial use of genetically modified organisms in Brazil, has approved the request made by its subsidiary FuturaGene Brasil Ltda. for the commercial use of the yield enhanced genetically modified eucalyptus - event H421. The decision is subject to appeal, in accordance with applicable laws.

São Paulo, April 9 2015.
