São Paulo, June 13, 2016 – SUZANO PAPEL E CELULOSE S.A. (“Suzano”) hereby announces to its shareholders and the market in general that it successfully cleared the area that had been occupied by a manifestation of members of the Landless Workers’ Movement (MST) outside one of the entrances of the Mucuri Unit, in Bahia. The group had partially restricted access to the site and the circulation of vehicles and people earlier today. Operations at the unit were not affected.
