Mr. Marcelo Feriozzi Bacci

**Re.: Request for clarification on press report**

Dear Sirs,

A news report carried by the O Estado de São Paulo newspaper on June 15, 2017, states that Suzano Pulp and Paper hired Bradesco BBI and Itaú Unibanco to advise it on the acquisition of Eldorado Brasil, the pulp producer of J&F.

We did not find this information in the documents sent by the company through the Empresas.NET System. If the information was reported, please inform the document and the pages in which this information is available, as well as the date and time it was submitted.

Note that the company must disclose periodic, occasional and other information of interest to the market through the Empresas.NET System, ensuring its broad and immediate dissemination and fair treatment of its investors and other market players.

That said, we request your clarification on the item mentioned, by June 19, 2017, without prejudice to the provisions in the sole paragraph of article 6 of CVM Instruction 358/02, with your confirmation or otherwise, as well as other information deemed important.

Your company’s reply must be sent through the Regular and Special Information (IPE) module. Select the Category: Material Fact or Category: Notice to the Market, Type: Clarifications on CVM/Bovespa queries, and then the Subject: News report, which will result in the simultaneous transmission of the file to BM&FBovespa and CVM. The option of responding through a Material Fact notice does not preclude any determination by the CVM of liabilities for its untimely disclosure, in accordance with CVM Instruction 358/02.

*We wish to emphasize the obligation set forth in the sole paragraph, article 4 of CVM Instruction 358/02, of questioning the managers and controlling shareholders of the Company, as well as all other persons with access to material facts or events, to determine if they were aware of any information that should be disclosed to the market.*

*The file to be submitted must include a transcript of the above query before the company's response.*

*This request is made under the scope of the Cooperation Agreement signed by the CVM and BM&FBovespa on December 13, 2011, and failure to comply with it could subject the company to the application of a punitive fine imposed by the Company Relations Department (SEP) of the CVM, in accordance with CVM Instruction 452/07.*

*Sincerely,"*

In compliance with the above request, the Company clarifies that, despite the news report published in the O Estado de São Paulo newspaper, there was no event that envisaged a notice to the market or the disclosure of material fact. However, as already announced to the market through the document in the Category: "Notice to the Market", Type: "Presentations to Analysts/Market Agents", Subject "Corporate Presentation", on page 19, which was input in the Empresas.NET system on November 17, 2015, at 6:09 p.m. (Brasília), one of the strategic pillars of the Company is the reshaping of the industry, which includes, among other initiatives, preparing the Company for possible merger and acquisition (M&A) and industry consolidation moves. As one of the market leaders, the Company constantly evaluates and prepares itself for M&A and consolidation possibilities.
