Company Registry (NIRE): 29.3.0001633-1

**São Paulo, September 11, 2017** – SUZANO PAPEL E CELULOSE S.A. (“Suzano”; “Company”), complementing the Material Fact notice published on February 24, 2017, announces to its shareholders and the general market that it has started the production and sale of jumbo rolls of sanitary paper (tissue) at its mill in Mucuri, Bahia.

Total estimated investment is R\$540 million and considers total tissue paper production capacity of 120,000 tons/year and maximum conversion capacity of 60,000 tons/year.

The mill in Imperatriz, Maranhão is expected to start production in the fourth quarter of 2017. The ramp-up of tissue production will be gradual.

São Paulo, September 11, 2017
